Quilt Donation Opportunity Benefiting Ukrainian Refugees

Mission of Love is an all-volunteer organization that is collecting items for Ukrainian refugees, including comfort quilts. If you would like to donate to this cause please do. Mission of Love is willing to ship and distribute your donated labors of love to those that have left their homes with so little. Here are the details:

Size: Consider that refugees are often still traveling and staying in shelters or temporary housing. A large lap quilt, a twin, or double size are suggested

They must be a quilted and finished item, with a minimum of stitch in the ditch to hold the quilt together. Elaborate, fancy quilting is not necessary. Tied quilts are not suitable. You are welcome to label your quilt with a name and a message of encouragement if desired. The recipient will feel your love.

Send your finished quilt to : Mission of Love
